

Day of Events Makes Firemen's Fiftieth Memorable Occasion

With sirens screaming, bands playing, floats and marching units, good food and liquid refreshment available in various places, with dancing and congratulations, good wishes and conviviality, crowds jammed Antioch last Saturday to celebrate the 50th Anniversary of the Antioch Fire Department.

Firemen were even wearing brand new badges, donated by the State Bank of Antioch, the Antioch Savings & Loan, the Antioch Coal and Lumber, Geo. Kennedy Construction and Cunningham Cartage Co.

An impromptu water-pumping contest, which resulted in No Decision, developed after the parade, between the firemen of the Grayslake Dept. and the Antioch Dept. The two groups used the ancient hand-pumping equipment first used by the respective departments.

The big parade was rated a tremendous success by all who saw it. The Chicago Fire Dept. Band smart-stepped down the street behind Color Guards to lead the parade, their instruments blaring the marching music that thrills old and young; the U. S. Army's 45th Artillery Brigade Drum & Bugle Corps, a bevy of dogs and trainers from the German Shepherd Training School, a motorcycle group from the Shriner's organization, the Great Lakes Navy Band, a marching unit of Waves, the Avoneto Drill team from Round Lake, the Navy Drum and Bugle Corps, the Bristol Band, the Honor Guard from Gurnee Legion Post 771, the Legion Lancers from the Wauconda Legion Post, Camp Lake Boy and Girl Scouts, the Antioch Grade-School Band, Boy Scout Troop 92 of Antioch, the R & S Riders, and Fire Trucks and personnel from the Fire Departments of Waukegan, Knollwood, Libertyville, Winthrop Harbor, an Amphibious truck from the Fox Lake Dept., Silver Lake, Trevor, Salem, Bristol, Pleasant Prairie, Lake Villa, Grayslake, Gurnee, Deerfield, Spring Grove, Bonnie Brook, Lake Zurich, Wau-

kegan, and of course, Antioch, all joined in the parade. Clowns were scattered along the line of the parade route, tossing candy and gum to children and amusing them with their antics. Throughout the day, fire helmets were handed out to the children by the Antioch Fire Dept. The Lake County Vulture 604 40 & 8 engine made innumerable trips up and down Main St. giving free rides to the kiddies, throughout the afternoon after the parade.

The Lake Region Jaycees scored a hit throughout the day with their booth of fresh doughnuts. The Antioch Woman's Club held an ice cream social on the lawn on Orchard St., and a roast beef dinner was served at Wesley Hall in the evening. Visiting dignitaries riding

New Name For Antioch H. S.

As of July 1, the name of the local high school is Antioch Community High School. This decision was made some months ago and the date for the change set, by the high-school Board of Education.

Reason for the change was that Antioch Township High School was not really correct. The high school district also takes in Lake Villa, and part of Newport.

The name "Antioch Township High School" has been used ever since the school was built in 1915.

GOP Club To Meet

The Republican Club of Antioch Township and the Women's Auxiliary will meet July 10 at Blarney Island to discuss plans for Charles Larson day, to be held in October.

Free boat rides from Pregegnor's Resort to Blarney Island and return will be provided.

One Lower Plate Lost: Reward

Did you happen to find a set of dental plates recently? If you did, you can get a reward by calling El 6-1381 and returning them to the owner.

We've had some strange lost and found articles, but this would probably qualify as the most unusual. Certainly the loss evokes our sincere sympathy.

The lower plate belongs to Mrs. Mildred VanderPyl. They were in her purse, which dropped open, evidently allowing the teeth to slip out. She believes they were lost in the Antioch A&P parking lot in Antioch.

C. C. Hires Executive Secretary

The Antioch Chamber of Commerce held its first meeting Monday night at Lorenz's Smart Country House. Thirty-two local merchants and interested people heard president Bill Brook give a report on the progress of the board of directors, thus far.

The first item of business on the agenda was the proposed rate schedule for membership dues. Based on a schedule now in use by the Zion Chamber of Commerce, the rates are computed on the number of employees for industrial, retail and service businesses. For financial institutions the dues are figured on the amount of funds on deposit. Minimum dues was set at \$50.00.

The group voted to approve the schedule unanimously and they will begin signing up members as soon as possible.

Turning to other business, president Bill Brook introduced George Camphausen, who has been hired by the organization in the capacity of Executive Secretary. Mr. Camphausen said that he would do the best job he could to insure the success

of the new organization."

The Chamber will set up quarters in space made available by Walter Koziol of Charming Products. The office will be located on the second floor of the building now housing the Charming Products company, 904 Main street, Antioch.

The new Chamber will hold general meetings every two months on the first Monday of the meeting month. The next meeting will be in September. It was also decided that only one dinner meeting will be held during the year. The rest of the meetings will be strictly business affairs and will be held in a suitable place.

Most of the business of the Chamber will be handled through the board of directors and committee action, it was decided.

Four Hurt In Crash

Four Chicago residents were injured in a two-car collision on Grass Lake Road, in front of the B-Z-Boat Inn, on Sunday afternoon.

Leo Rusz, 7740 Ardmore, 54-years old, his wife, Janet, and son, Dennis, 10 years old, were taken by ambulance to Resurrection Hospital in Chicago after the crash. George Bobick, driver of the other car, was taken to Victory Memorial Hospital by the Antioch Rescue Squad.

Bobick, driving a 1956 Chevy belonging to his niece, Irene Curtis of Racine, Wis., was charged with passing in a no passing zone after the accident. Witnesses said Bobick, driving west on Grass Lake Road, ran off the pavement on to the shoulder after passing a car. He lost control of the car when he came back on to the pavement and went into a broadside skid, striking the eastbound car of Rusz.

Rusz was driving a 1963 Oldsmobile. His car was extensively damaged. The engine was torn from the Bobick car by the crash.

Barn Burns In Trevor

The Rock Lake area had more than its share of unpleasant excitement Sunday.

A fire called out the Trevor fire department at 3:15 p.m. Sunday. The Antioch and Wilmet fire departments went to their assistance when the old barn on the former Earl Elfers farm was found ablaze.

The fire was out of control when the Trevor department was called and the building was virtually demolished. Cause of the blaze was not known, though it was conjectured that it might have been started by a trash fire some 40 feet away.

The property is now owned by Drake Brothers of Dundee. It had been used at times for storage, but contained nothing of real value when it burned. An old truck and car in the building burned.

While fighting the fire, L. Hansen of the Trevor Fire Dept. collapsed and was taken to Victory Memorial Hospital by the Antioch Rescue Squad on the advice of Dr. Abderholden who was on the scene after ministering to a youth who had been shot in the leg with a spear gun at Rock Lake.

Air Show July 14th Kicks Off Hospital Drive

The Cole Brothers Air Show will be the main attraction at the Countryside Hospital Fund Raising Campaign Kick-off, on Sunday, July 14, according to Dr. W. C. Petty, Campaign chairman. Petty went on to say, "The now World Famous Cole Brothers Air Show has in 17 years become the outstanding show of its kind."

In the past 17 years, the troupe has flown in about 475 shows in 43 different states. The Cole Brothers, cast consists of Duane, one of the original brothers, his wing riding wife, Judy, and their sons, Rolly and John. George Whysall and Mickey Seaver also make up the cast.

The show for the Countryside Hospital Kick-off will consist of six daring acts, lasting approximately 1 1/2 hours.

The Campaign Kick-off will be held in Lehmann Park, Lake Villa, Illinois, because of the Park's proximity to the Hospital site at Grub Hill Road and Grand Avenue, Lake Villa. The Kick-off will be the signal for over 1,000 volunteers to start the door-to-door solicitation of every family in the Northwest Lake region of Antioch, Avon, Grant and Lake Villa Townships.

Other Special Events and guest speakers for the Kick-off Program will be announced next week.

Wally's Channel Inn Has New Owners

Bud and Ann Helton are new owners of Wally's Channel Inn at Channel Lake.

Mrs. Helton formerly operated a shop for women's clothing in Lyons, Ill. Business will go on much

as usual, the Heltons say. The Inn will be open daily. There will be a band for Saturday night dancing. Mrs. Helton plans to expand the menu.

The Heltons have four children. Dr. Abderholden, Mr. Hansen is reported to be recovering.

EDITORIAL

Clear The Way For Help

Frank Mattis, Trevor fireman, made a statement while talking about Sunday's fire that reminded us of an unfortunate and dangerous failing of people in general.

He said one of their biggest problems was the traffic jam resulting from the people who rush to see a fire. It makes the firemen's work unnecessarily dangerous and difficult, and hampers any necessary rescue work.

It's natural for people to be curious and rush to the scene of a fire or an accident. Fires are exciting. And the curious are drawn to every tragedy.

It's also a real problem to the men trying to put out fires or aid victims. The Rescue Squad truck sometimes has trouble maneuvering through the cars lined up belonging to people who come to stare. When seconds can mean the difference between life and death, those seconds are sometimes spent trying to get through crowds of the curious.

We were passed by an ambulance on Highway 59 Sunday speeding in the opposite direction. The flasher light was blinking, the siren going full blast, and clearly audible. The ambulance was forced to weave around a car in its path. The driver of the car made no effort to pull to the side of the road and clear the path.

We resent that. Common sense and courtesy should make any driver willing to pull off and clear the way for men rushing to or from the scene of a disaster.

If you're ever tempted to join the crowd of the curious make sure you in no way hamper rescue work. After all, it may some day be you, or someone dear to you, who will need help when seconds count.

Putting Antioch On The Map

Antioch's own Bill Murphy has certainly done a thorough job of putting Antioch on the map, editorially speaking, of late. And with the most unpleasant kind of publicity.

The Chicago Sun-Times started the ball rolling with some scathing comments on a remark Mr. Murphy made that referendums were useless, because the voter was brain-washed.

The Chicago American next took up the cudgels in reference to Mr. Murphy's activities in seeing that the so-called anti-crime bill was killed. The bill would have made big time syndicate gambling a felony.

We've heard quite a few Antioch citizens resentfully bemoan the publicity our town has gotten as a gambling center. It just isn't true, they say, and people shouldn't make wild accusations.

Having been tagged with the name, whether or not Antioch has the name, it would seem that it behooves us to keep our noses clean and get rid of the name. Like Caesar's wife, we must be above reproach on this score if we really want to get rid of the reputation we profess to resent.

Mr. Murphy certainly has not helped matters by his action. Methinks he owes the honest citizens of Antioch who voted for him an explanation. And we think it should be a little weightier one than to claim that passing his bill would have led to passing the wire-tap bill, which it is claimed would be an infringement of our privacy. (And we can't help but wonder how many honest citizens would care if their phones were tapped, and how much chance there is of that happening.)

SIDELIGHTS from SPRINGFIELD

By Sen. PAUL SIMON

By Sen. Paul Simon
WIREFAPPING: IS IT A THREAT TO FREEDOM?

Two major pieces of legislation we face in the final weeks of the legislature are involved with the question of whether Illinois should permit the use of electronic equipment that records our private conversations without our permission.

There are distinguished and responsible people on both sides and the question is so fundamental to our basic rights that all citizens should take an interest.

There is equipment which can record our phone conversations; and I am told, equipment which can be pointed in your direction from more than 500 feet which can record conversation between two people.

One measure before the legislature says that this would be legal when authorized by certain law enforcement officials. The other measure says that all of it is illegal.

Those who favor its use include people like the superintendent of Chicago's police, Orlando Wilson, who unquestionably is doing a fine job in that city. Wilson says this would be a big help in tracking down hoodlum elements.

Those who take the opposite view—and I am among them—feel that this is an invasion of the basic privacy to which every citizen is entitled.

When our nation was founded, we established certain principles about the privacy of the home, aimed particularly at the practice of camping British soldiers in a home. The great threat to our privacy today is certainly not British soldiers; these new electronic devices could be.

There will always be threats to freedom, both at home and abroad. We constantly should be on guard against them, whether that threat is the tyranny of Communism or the gradual chipping away of freedoms we possess.

I frankly would not worry about granting someone like Orlando Wilson of Chicago this authority.

But by law you cannot give such authority to one man. All law enforcement officials are not decent men. Giving them the authority to record private conversations could result in great abuses.

We have had more than a few experiences in Illinois where law enforcement officials were primarily not interested in serving certain underworld elements. Giving such people the authority to record private conversations could result in wholesale blackmail.

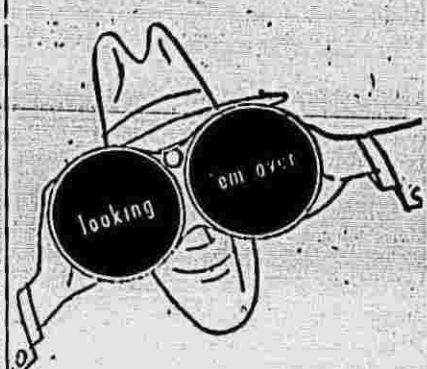

A fundamental American freedom is the right to condemn our political leaders and to complain about taxes or traffic or anything we feel like. If we want to do that in public, we should have that right. If we want to whisper it to our neighbor without having it recorded, we should have that right. To give a citizen anything less than that is to compromise his freedom.

Seldom is the legislature faced with such a basic decision on a fundamental principle of our government.

My strong impression that what is needed to stop the gangster operation is continued public interest in seeing that we elect decent, honest sheriffs and state's attorneys. If we do that, we can control the other problem. If we don't do that, wire-

tapping and recording of private conversations won't do the trick either.

I hope that we do not become so eager to stop one evil that we authorize a greater evil. Letting the police go around and record private conversations fits more into the pattern of a dictatorship than a free country.

We just have to congratulate John Moran on the bang-up job he did on the parade for the Firemen's Fiftieth Anniversary. We know the whole celebration took a lot of work by a lot of people, too numerous to mention, but we have some faint idea of how hard John worked on that parade. That's why it was the success it was.

Who's going to run Antioch's parades for us if John decides to step down, or decides he's getting too old, some day, for this type of blood-pressure-raising shenanigan? We know an Irishman never gets that old, but John might break a leg, or something.

Seems like John ought to have an understudy. You don't learn the art of lining up a good parade, or what pitfalls to avoid, overnight. He'd better be someone young and sturdy, if he's going to steam up and down the street and round the countryside in 98 degree heat behind John.

This is the season when all those ardent Isaac Waltoners are going on fishing trips, and dragging home tons and tons of fish, and usually spreading a bounty of free fish to neighbors and friends.

Fish is supposed to be brain food, according to an old superstition. Personally, we'd prefer staying slightly morose if eating fish is a requisite of getting smart. The only fish we ever found worth eating was walleye, and we notice fish-giver-awayers always keep those for themselves.

How come nobody ever gives away free steaks? Maybe we could find a friend who's a cattle-rustler.

Are You Sure It's the Humidity?

How do you like that sign on the Savings & Loan new building? The one that gives the temperature every couple of seconds.

It soared to an incredible 104 degrees Monday afternoon. Not so incredible if you were out in the sun for long. We almost wished they'd disconnected it. Except that it's nice to know there is a sound reason why we feel so awful.

Sometimes always taking the fun out of life. We go along for years calmly confident of the truth of some old platitude, until some scientifically-minded, unsentimental egghead decides to put the statement to a test.

Since childhood we've derived a considerable amount of pleasure from saying, "It's hot enough to fry eggs on the sidewalk," without ever thinking to test the truth of the statement. Then Monday Harry Volkman—with a corps of cameras to record

Courthouse Notebook

BY LOU DUKIN

The novelty will undoubtedly wear off, but right now the work on the new courthouse is being well supervised by bench birds who have been displaced from their shady perches in the courthouse square and by county officials and employees.

Which makes one wonder if the cost of construction set forth by Architect William Ganster and the County Building Commission includes the cost of man hours lost in the present building while employees supervise the work.

State Rep. Jack Balrston (D-Waukegan) is reportedly readying an announcement that he will retire from the state legislature after his present term expires.

The announcement is expected to be made shortly after adjournment of the present session so potential candidates for his legislative seat will have plenty of time to get their campaign plans ready.

North Chicago Police Magistrate John Matijevich, who was a candidate for the legislature last year will probably run again.

Another probable starter in the Democratic primary next spring is Atty. Bill Hartnett, of Grayslake, who is now the chairman of the Democratic Central Committee.

There will be other candidates although it is unlikely that the starting list will carry 12 aspirants the way the Republican ballot did a year ago.

Congratulations to Capt. Harold Scheskie and the other deputy sheriffs who were appointed to sheriff's police ranks by Sheriff Charles Larson last week.

And congratulations to Sheriff Larson for instituting the change in the department in an effort to increase the unit's efficiency and effectiveness.

With experienced and able career policemen in positions of authority and responsibility the administration of the department should continue at a high level despite the quadrennial change of administration.

The blue ballot amendment to the judicial article of the state constitution may, as advertised, take politics out of the judiciary, but we doubt that it will take Circuit Judge Thomas Moran out of politics.

Judge Moran has displayed adroit footwork in his comparatively brief political career, but more important he has shown a real liking for political activity, a liking that keeps him busy politically even when his own office is not involved.

Of course his trip to Springfield last week to keep his eye on blue ballot implementation legislation wasn't entirely objective.

The jurist has more than academic interest in a late bill that would have called for resignation of a Circuit Judge before he could aspire to an Appellate Court Post.

Judge Moran feels that there are some sitting Circuit judges who might aspire to the higher court, but would remain on the Circuit bench should they fall short of the necessary votes in the Appellate district conventions.

It does seem that sponsors of the bill are asking a great

deal of an incumbent judge in demanding that he surrender one post before he is assured of another, particularly since the Appellate convention will precede the Circuit Court convention.

That looks like a full-scale election going on at Hickory Corners, Rtes. 45 and 173 near Antioch with Joe Stenek and Mark Turner, candidates for mayor, putting up placards, handing out sample ballots, and making campaign promises.

The opposing slates have a strong family flavor with the spouses of the mayor candidates running for community clerk.

Could it be that a dynasty already threatens in Hickory Corners?

It is pleasant to be able to report that our good friends Charles E. (for Abraham Lincoln) Mason and Wilbur Bruce Brazell are out of the hospital and convalescing at home after brief illnesses.

Charles is a former state's attorney while Wilbur has been an assistant state's attorney under four state's attorneys for more than 20 years.

If the farmers make hay when the sun shines, they must have a "loft" full after this last week! Fortune as well as sun also has been shining on the local resort owners so far this summer. Tawny biege suntans have now become copper-bronze. Boat motors hum from dawn to midnite. Beaches swarm with "kids" both young and old, in bathing suits of every hue and style. Yep, this my hue and style. Yep, this is my July!

THE LATEST REPORT: The latest "friendly" day was held at George Diamond's private course, and was hosted by Ed Jacobs. . . Did you wonder, as I did, where on earth the Starlite Theatre is? Well, it really isn't a theatre, but rather the court between the old and new buildings at the Antioch Community High School. (See how much I pay attention, that's the new name just adopted) . . .

Don Cardiff, whose trip down the aisle was prefaced by a trip on Lake St. last Friday (where the attendants were the Antioch Rescue Squad), isn't the only one to have made that Lake St. trip. Lynn Keating is sporting a cast and will be for the next few weeks as a result of the same journey. . . John Teresi, new owner of the local Chevy palace, is bringing with him a familiar face, that has been missing from the local scene for too long a time, Bob Lindblad will be overseeing the office for Mr. Teresi. . .

BEHIND THE PRESS: With nothing new but the summer doldrums in the back room, we are going out front to point out to anyone who will look, that we have a new awning!

THE LAST DROP: We've got to admit when it comes to organizing a parade, there is one man outstanding in this job. John Moran wins our gold star award of them all. . . Aunt Min of the "Kitchen" of the same name, was a traffic victim of a different sort recently. While riding "rumble on a go-kart," she took a spill that put a "limp" in her usual lively step. . . Darlene Roblin was the gorgeous "Golden Huntress" on the Woman's Club Float, not Marilyn Sterbenz as many people thought. . . Noticed those Pleasant Prairie firemen got pleasanter

Girl Scouts Learn Indian Lore At 2-Week Day Camp

GIRL SCOUTS of the Pawnee group fish as one of their activities at Day Camp at Chain O' Lakes State Park.

WENDY LINDBLAD of Troop 213 is the "patient" and Gail Gibbons of Troop 213 administers artificial respiration as part of the First Aid training at Girl Scout Day Camp.

Last week was the final week of Day Camp for the Girl Scouts of the Sequoyah Neighborhood.

Theme of the two-week camp gathering at Chain-O-Lakes Park has been Indian. Several speakers gave the girls the benefit of information on the Indian theme last week, among them Chief White Eagle, Indian personality on Channel 11 television; Robert Vogel, of the Lake County Museum; and Steve Young, collector of Indian relics.

Richard Waters, president of the Northern Illinois Conservation Club, spoke to the girls about nature and its conservation.

The final week of Day camp was a very busy one.

The week was highlighted with the return visit of Mr. Steve Young, well known collector of Indian relics. Previously he had shown the scouts arrowheads and axe-heads over 200 years old. He had also brought a Sioux war jacket that had been worn in battle as well as tools, storage pots and decorations used by the Indians. Mr. Young showed the girl scouts how to make Indian head-dresses. He was also very helpful in giving the girls a great deal of information and background about the American Indian.

Mr. Young has displayed portions of his valuable collection of Indian relics at the Lake County Museum and is a member of the Wisconsin Archaeological Society, the Central States Archaeological Society, and an associate member of the New York Natural History Museum.

Mrs. R. Irmen, assistant camp director, offered instruction in archery for the girls during this week at camp. On Tuesday afternoon, Mrs. Prother taught the scouts square dancing and the afternoon was spent do-se-do-ing.

Wednesday evening 45 girls stayed overnight at the Chain O' Lakes camp site. They had the opportunity to work on their nature and outdoor second class requirements as well as their outdoor cooking badge.

For the past two weeks 12 girl scouts attended classes in First Aid taught by Mrs. Barbara Watt, camp director. The scouts receiving their Red Cross First Aid Certificates were: Elizabeth Surrock, Sue Davis, Joyce Waters, Wendy Eberman, Janet Anderson, Kathy Hartwig, Delores Rockow, Lindy Musinski, Wendy Lindblad, Gail Gibbons, Kathy Eckert and Roberta Lee.

Camp was closed Thursday with a final torch light ceremony. The scouts wore their head-dresses and Indian costumes. The 12 medicine men from the six tribes represented by the camping girl scouts made the final potlatch a gay farewell to Day Camp when they helped serve the home made ice cream.

For many of the girls this was their first experience at camping out-of-doors. Debbie York, Junior Scout from Troop 216, Lake Villa, enjoyed cooking outdoors and learning how to lash frames

and put up tents. Cheryl Golonka of Troop 124, Antioch, mostly liked being with the other girls. Cooking was lots of fun, too.

This was Gail Gibbons, Senior Scout from Troop 213, Antioch, first experience as a Program Aide at camp. She enjoyed helping the other scouts with their tents, taking them on nature hikes and even didn't mind baby sitting with the "small fry."

Even though the scouts liked just about everything at camp, the best part of it seemed to be Girl Scouts together. They are all looking forward to camping together again next year.

Seven year old Bobby Swanson had surgery performed on his left eye last Wednesday, to correct the eye from crossing. He came home Friday, and is getting along fine.

Hit by Car

While visiting his grandparents in Waukegan Friday, five-year-old Johnny Wacaser of 2211 Witchwood Lane, suffered facial cuts and slight head injuries when he was struck by a car on North Buttrick St. After spending the night in Victory Memorial Hospital he was released. Officials said he was in good condition.

He was hit by a car driven by John D. McNeill of 717 Pacific St., as he darted from behind a parked car in the 800 block of North Buttrick St. and ran into the path of the northbound auto. He was trying to catch up with his grandfather.

Mr. McNeill told police he slammed on his brakes when he saw the boy but was unable to avoid the accident. Fortunately he wasn't badly hurt.

Altar and Rosary

The Sodality will hold their monthly meeting Wednesday, July 3, starting with benediction at 8 p.m.

Salad Bar Luncheon

Prince of Peace Altar and Rosary Sodality will hold their Fourth Annual Salad Bar Luncheon and Card Party, Wednesday, July 10, in the parish hall starting at 12:30 p.m. Mrs. Mary Tisser and Mrs. Judy Gibbons are co-chairmen.

Social

The C. Y. O. Club is holding a Social every Friday evening during the summer, in the school at 7:30 p.m. The affair is chaperoned.

First Baptist Church of Lindenhurst

The Rev. Joe Baker left for a two week vacation in Tulsa, Okla., Sunday morning after services. The Rev. Julian Morrison of Zion will be the guest minister for the next two weeks.

Sunday evening services will be held at the Lindenhurst Civic Center at 7:30 p.m.

Sunday School teachers and officers meet every Wednesday evening at 7 p.m.

A Brotherhood meeting was held at the home of Howard Wright in Antioch last Saturday evening. George Gilliland will be in charge of the Bible Study July 10.

Choir practice will be at 8:15 on Wednesday evening, Lindenhurst Day.

The Lindenhurst Men's Club is making plans for Lindenhurst Day, Aug. 17. Organizations which will also be participating to raise funds for the Lindenhurst Civic Center are the Lindenhurst Women's Club, Ivy Cancer League, Grandwood Park Lake Region Men's Club, the Lindenhurst Plaza Businessmen's Association, Ted Brendel and Pat Parpan, Venetian Village Association and the Boy Scouts. Any other organization which would like to have a booth on the Civic Center grounds that day should contact Doug Ploss for more information.

The balloon launching will be the big event of the day. Cards will soon be given out to all children to write their name, address and phone number on. These cards will be attached to helium filled balloons, and the first five returned will be awarded prizes. Also the one that travels the farthest distance away, will receive an award.

Many more exciting things are being planned, such as a ball game, different kinds of contests for both men and women as well as children.

Family Picnic

The Lindenhurst Women's Club is having a Family Picnic July 4 at the Lindenhurst Civic Center, starting at 2:00 p.m. Members of the club and their families, and members of the Lindenhurst Men's Club and their families are invited.

American Flags

You may still purchase your 3x5 foot, 50 star, all cotton flag, with five foot pole and bracket for \$3.00 by calling Pat Parpan at El. 6-2011 or Mrs. Bernau at El. 6-5649. The Lindenhurst Women's Club is anxious to make everyone in Lindenhurst flag conscious.

Cook-Out

Bob and Joy Manuel of 1905 E. Fairfield had a cook-out last Tuesday evening to get acquainted with their neighbors. Enjoying bar-B-Q, hamburgers and the rest of the goodies were Lyle and Velma Mercer, Ed and Harriet Bonovitz and their children, Millie Cali and her boys, Ray and Pat Parpan and their family, Carol Patterson and her children and new residents Wayne and Marilyn Hall and their baby, Sarah.

THE CLASS OF 1905 of Wilmet High School recently held their yearly class re-union, this year at the Colony House near Trevor. Left to right, Mrs. Edith Hatch Allen, Rose M. Buiton, Henry Blim, Grace Carey and Mrs. Helen Dobyns.

June Wedding Unites Marie Freund, Charles Blankley

Marie Freund was joined in marriage to Charles Blankley in a double ring ceremony at St. Peter's Church in Antioch at 11 a.m. Saturday, June 15. The Rev. A. J. Henderson officiated at the service. The bride was given away by her father.

The bride is the daughter of Mr. and Mrs. Peter Freund of Rt. 2, Box 137A, Antioch. The groom is the son of Mr. and Mrs. Charles F. Blankley, Sr., of 4401 20th Ave., Kenosha, Wis.

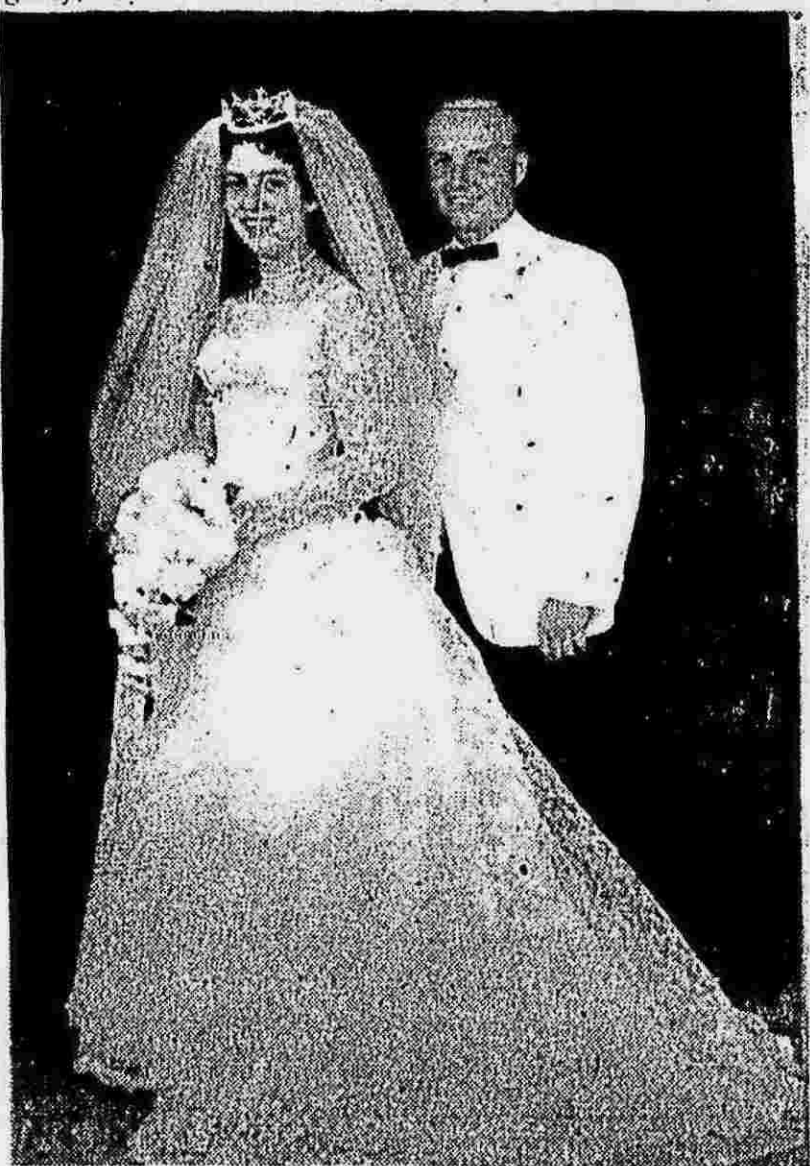

The bride wore a traditional floor-length, Chantilly lace gown, with a pearl-beaded Sabrina neckline, long sleeves and a chapel train. A pearl-headed crown held her finger-tip veil. She carried a bouquet of white carnations.

Miss Lois Ann Blankley, sister of the groom, served as maid of honor. Mrs. James Ogleby, sister of the bride,

and Miss Linda Stahl were bridesmaids. They wore street-length gowns of aqua chiffon with matching headpieces and carried colonial bouquets of yellow mums. Donna Amann, cousin of the bride, was flower girl, and the bride's nephew, Richard Kerr, Jr., was ring bearer. James B. Wilke was best man, and James Ogleby and Bruce Blankley, brother of the groom, served as ushers. A wedding dinner for the immediate families was served at the 19th Hole.

A reception for about 200 guests was held at the VFW Hall in Lake Villa, after which the bride and groom left for a honeymoon trip to the Eastern States.

The bride is employed at Abbott's Laboratory in North Chicago, the groom at Pansteel Metallurgical Corp. They will be at home in Kenosha, Wis.

Rainbow Assembly Elects Harriet Wells G. W. A. A.

The Antioch Assembly of the Order of Rainbow for Girls won a signal honor at the 32nd Grand Assembly session last week. Miss Harriet Wells was chosen Grand Worthy Associate Advisor. There were nine other candidates for the position.

Harriet will serve with Helen Dayle Palmer, Galesburg, Ill., the Grand Worthy Advisor and a new corps of officers. Advancement from Associate Advisor to Grand Worthy Advisor is automatic in the Illinois Order of Rainbow for Girls, so Miss Wells will become Grand Worthy Advisor for the State of Illinois in 1964.

Eighty-five Assemblies were represented at the Grand Assembly, with 1183 paid registrations. There are approximately 100 Assemblies in the State of Illinois. Mrs. Wilma Gibbs, M. A.

of the Antioch Assembly, said she believes Antioch is the only Assembly in the state who will have had two Grand Worthy Advisors. June Hunter Clark of the Antioch Assembly was G.W.A.A. in 1950.

Wilmette Monnier

Science Fair Winner To Be On Video

Wilmette Monnier, who took first place with her science project both locally and at the regional competition, took a second at the State Science exhibition at Champaign recently.

Wilmette will exhibit her project and discuss it on TV on July 6 on the program, "Science Unlimited." The show will be on Channel 2 at 2:30 p.m. Saturday. The project is "A Study on Gallstones."

Wilmette will be a senior at Antioch Community High School next year. She lacked one credit to graduate this year, after three years in high school. She hopes to get a college scholarship, and is aiming at a career as a doctor. At present, she works as a Senior Aid in the X-Ray Dept. at St. Therese Hospital. She is the daughter of Mr. and Mrs. Elmer Monnier of 11 Oak Knoll Dr., Lake Villa.

Rip-Roaring Frontier Days In Libertyville Next Week

A rip-roaring look into the past and fun for young and old await crowds at Libertyville's upcoming 5th Annual Frontier Days, July 10-13.

One of the many top events of the festival is the National Championship Libertyville Rodeo, featuring contests in bareback bronc riding, calf roping, steer wrestling, saddle bronc riding and Brahma bull riding. The rodeo is co-sponsored by the VFW and American Legion and will be held on the 12th, 13th and 14th.

Lake County's most beautiful girls will compete in the Frontier Days Queen contest at 9 p.m., July 10. The contest, emceed by a top disc jockey, will follow a Torchlight parade and precede a Dixieland band concert.

Thursday, July 11, features a kiddies' costume parade in the morning, with prizes for the most unique costumes, and a magic show in the afternoon. Throughout the day merchants in authentic western costume will display and sell their wares on Libertyville sidewalks.

An amateur talent show will start the annual summer celebration Thursday evening. A square dance ex-

hibition and 10 p.m. fireworks display will round out July 11 activities.

Friday morning any male or female may enter a pie-baking contest. All pies will be auctioned off following the contest. A magic show, evening music concert, another fireworks display, another square dance exhibition and the opening of the rodeo all will take place during July 12.

A fast-draw revolver exhibition will be the first of many events scheduled for Saturday, the 13th. The Chicago Highlanders will present a bagpipe concert shortly after noon and will precede the Frontier Days Parade with floats, bands and marchers.

Excitement at the rodeo will continue Saturday evening, along with a street dance in downtown Libertyville where special DONAZA PRIZES will be awarded. Following a Teenage Twister at the Legion Hall, festivities will wind up with a gigantic fireworks finale at 10:30 p.m.

Carnival rides will operate during all four days, and top personalities will be in town to participate in the fun and judge various contests.

Libertyville's 5th Frontier Days celebration, jam-packed with more entertaining events than ever before, promises to be an exciting event this summer!

Wave Of Mail Box Thefts

There is a wave of rifling of rural mail boxes in the area, Postmaster Roy Kufalk has announced. Hardest hit has been Oakwood Knolls, where Mr. Kufalk has received complaints on thirteen boxes in the last two weeks.

There have been fewer, scattered complaints in various other areas.

The State Police have been investigating the cases, and believe they have at least one solved. They believe they know the identity of a young man who recently "lifted" a package from the mailbox of Nicholas Zelen at Channel Lake. Federal inspectors are now investigating the cases.

THE ANTIOCH NEWS

THURSDAY, JULY 4, 1963

Several boxes have been damaged by firecrackers also, Mr. Kufalk reported. There's a yearly rash of this around the Fourth of July, when firecrackers are tossed in boxes and exploded.

Both damaging mail boxes and stealing from them are federal offenses, Mr. Kufalk pointed out, punishable by fine and imprisonment.

A message to men who work in air-conditioned comfort

(and wives who'd like to)

You can have Whole-House Electric Air Conditioning in the average 6-room home for as little as 50¢ a day. (This includes maintenance as well as operating costs.)

When hot, muggy weather makes you almost hate to leave your air-conditioned office for home, think how your wife feels. She's had to put up with this discomfort all day.

Nowadays there's something you can do about it. It's called Whole-House Electric Air Conditioning, and the cost is a lot lower than most people guess.

For instance, to have it installed in the average 6-room home usually costs from about \$800 to \$900.

Operating costs will vary, but 50¢ a day for operation and maintenance over a period of 120 days is close to the average.

Electric air conditioning is simple, doesn't require water. It adds to the desirability and market value of your home.

You get a lot besides cooling. Air throughout the house is crisp, free of excess humidity. A filter in the system removes dust, and up to 98% of the pollen, from the air.

To find out exactly what Whole-House Electric Air Conditioning would cost in your home, get in touch with the dealer, distributor, or department store nearest you. The contractor you choose will be glad to give you a free estimate and financing is easy to arrange.

Wagner Takes Close One From Burgan At Speedway

Gino Wagner took a close one from Dennis Burgan in the big Sportsman feature race at Waukegan Speedway Saturday night. Wagner, who started near the back of the pack, had to pass Burgan, Tommy Dill, Jack Esther, Bob Zynda and 14 other cars to grab the victory. Burgan was second, Dill third, Esther fourth, Smith fifth, and Bob Zynda, over the line sixth.

In the late-model stock car feature, Len Kanne of Kenosha beat out Bob Dugan by a car length after fighting it out for 13 of the 15 laps. The race was remarkably free of crashes and spins and O'Dell Jones of Waukegan crossed the line third with Ray Dixon fourth, Don Miller fifth, and Eddie Jones sixth.

Len Kanne took the late model trophy dash to start the evening. Dixon and O'Dell Jones finished second and third. The Sportsman trophy dash went to Jim Ford of Zion, with Dill and Cossman over second and third.

In the highly-advertised Miller Brothers annual Demolition Derby, Virg Miller was the last man running and Don Miller was awarded the "roughest driver" trophy. The action found Miller brothers scattered all over the track with one complete roll-over and three head-on crashes. It was announced the Miller Brothers will meet the Ketchum brothers in two weeks for the first in a series of demolition challenge races.

Eighteen cars started on the Thrill Track, and only three limped across the finish line, the other fifteen laid wrecked all over the track.

PLANNING AND PROMPT ACTION CONTROL BOAT DAMAGE

Boatmen, whether their equipment is a modest sized outboard or a large inboard, should mentally prepare themselves to cope with emergencies.

Careful reference to charts in strange waters, coupled with a sharp lookout and reasonable caution will prevent most contact with submerged or floating objects. However, even the most skilled boat handler may steer into a hidden rock, water-logged railroad tie, or a boat may split a seam.

If hull damage should occur don't panic. It's a rare instance when calm, methodical but prompt action won't prevent loss of the boat or further damage to the hull.

Every boat should be fitted with some means to remove water. An empty coffee tin, a bait pail or a small portable hand pump will suffice on a small boat. Larger boats should be equipped with both an electric bilge pump or pumps and a good manual pump as a standby in event of power failure.

A shift of weight may reduce or stop the intake of water. For example, if a hole has been knocked in the bottom of a boat near the bow, moving passengers and heavy gear to the stern may lift this area free of the water.

A section of mooring line driven in a split plank with a screwdriver will often be all that is needed to plug the leak.

Don't wedge life jackets or cushions into the damaged area. It's better to use an article of clothing, blanket or a chunk of your ...avy boat top and keep the life saving equipment handy in the cockpit should all damage control measures fail.

Reducing or increasing boat speed may have an effect on the flow of water through the damaged area. Check this and regulate your boat speed accordingly.

Make decisions hurriedly but think them through carefully. If you find you must

beach your boat, try to analyze how long you can keep it running and afloat, then beach it where it will be most protected and easiest to salvage.

Survey your boat the next time you're aboard and be sure you have a conveniently located repair kit with suitable quick patching materials.

Union Grove Drag Races July 4th

The seventh annual Interstate Championship Drag Races will be held Thursday, the 4th of July at the Great Lakes Dragway, Union Grove, Wis. This annual race pits the top drivers and machines from both states in one of the hottest contested drag race events in the nation.

Illinois leads 4 to 2 in the series with Wisconsin by only two wins being in 1960 and 1962.

The first three years it was all Illinois, but the experience learned during these years paid off and only a narrow victory in 1961 prevented Wisconsin from evening the series at 3 all.

Wisconsin appears the stronger in the nitro-fuel dragster division while the edge in the gas dragster has to go to Illinois. Wisconsin has a twin engine gas dragster driven by John Tunison of Milwaukee and if he could come through it would give Wisconsin a good chance to notch its third victory in the series.

Over 250 cars are expected to compete as well as a large entry of motorcycles, from stock to twin engine racers.

This will be the first major event motorcycles will compete in since their return to drag racing competition last Sunday after a two-year absence.

Time trials start at 9 a.m. with racing beginning at 2 p.m.

The dragstrip is located 20 miles south of Milwaukee, 12 miles north of the Wisconsin-Illinois state line on Hwy. 45, at Union Grove, Wis.

FISHERMEN ARE BORN HONEST, BUT THEY GET OVER IT.

BIG NEWS FOR THE SPORTSMAN DEPT.—How does this sound for the ideal place to go piscatorially and nirradially? Quote from advertisement: Sportsman's Home—The best hunting and fishing grounds in the state, situated between two lakes. Rates, \$100 per day, \$6 per week, includes delicious home cooked meals, served family style, eat all you can hold; clean comfortable beds and bath furnished. There was a picture with the ad and shows big lunker northerns caught by individuals. I don't want to spoil a good thing by making it too public, so I will give the name and address of the place to those who write for it, care of this column. It's not too far from Antioch.

This Sultan kept his harem a mile away from the palace, and each day he sent his trusted servant to fetch one of the wives. The Sultan lived to be 97 and the servant died at age 45. So the moral, it's not the women who kill you—it's the running after them that does it.

Eddie Zanta (remember him?) the Sage of Indian Point, knocked off the daily double last week for \$5 bucks for his deuce. Still Eddie was not pleased. He's been gunning for a thousand dollar "double" for years, and anything less than that is like coming in last. No comment.

They're catching fish all through the Chain, especially the northern parts. Lake Marie is still producing lunker northerns and stripers. Grass Lake is coming up with good catches of largemouths and zillions of stripers, while Channel and Catherine are doing good business in bluegills and big northerns. This doesn't mean that every guy (or gal) who dunks a line is a leadpipe clinch to come in with a limit. On the contrary. The boys with the fishing savvy are getting fish while the others are getting fresh air and a sun tan.

We admire Good Losers, but have you noticed that it's the winners who carry off the loot!

They're bringing in horse-size northerns at Barney Shunnesson's on Channel Lake. One group did quite well on gold color Spoon-Plugs (Barney's got plenty of 'em) while others are using the old dependable Sorenson Special (large golden roach). Best fisherman on the lake is

Oberg Hurls 3-Hitter For G & J Team

By Bill Ferris

Monday night, June 24, saw Golfview defeat Lyons-Ryan Ford with a 15 hit barrage 8 to 6.

Jerry Fox had himself another perfect night in getting 4 hits in 4 trips to the plate to raise his average to .769 with 10 hits in 13 at bats.

Ken Kube belted a triple and a single along with Dick Cristaf and Tommy Fox's 2 singles. Solo hits by Ken Nicpon, Mike Cirone, John Bloss, George Lystlund and Hadj Snarski gave the Badgers of Golfview their second win of the season against one defeat.

George Hogan with a single and a double, and Rich Drazewski with a pair of hits led the attack for Lyons-Ryan who suffered their second defeat of the season.

Dick Wolf hit a triple, Ray Partipilo a double, and John

WILLIE, Barney Shunnesson's fishing canine.

Roy Kufalk, Doug Dean, and Bill Beretier just got back from a fishing trip up at Fish Creek in smallmouth country (their wives were along, so it was strictly kosher). But Roy, what has "mold" and "double pinch" got to do with fishing?

They ran into this guy who blew some of his hard-earned dough for one of "those" fishing tables that tell you what time of day, each day, the fish are gonna bite. This was 10:30 a.m. and Roy was doing pretty fair, with 3 or 4 nice bass on his stringer—and this mullet consults his charts for the day and announces that the period between 12 noon and 2 p.m. was the "witching hour." During that time, the bass would literally throw themselves at the fisherguys. Ya! Ya! You hit it right on the side pocket. Not a bite from 12 to 2. So Roy went back to "melding" and that there kinda stuff. What a woid.

Gibbs & Janssen Rout Golfview

Tuesday night Gibbs & Janssen pulled an upset by blasting out 20 hits to rout Golfview 15 to 8.

Manager Pete Matteoni's boys struck fast with an 8 run, first inning and added 5 more in the second, to take a 13 to 3 lead.

Howie Larson was the big gun with 4 hits in 5 at bats. John Bishop, the winning pitcher, had 3 hits; Sid Parker, Denny Swanson, Rudy Selak, Ed Ring and Rich Pahlke had 2 each. Rudy Selak drove in 5 runs and Rich Pahlke drove in 3 with a pair of doubles.

Golfview, who took their second beating and now are a 500 team, got only 9 hits off winning pitcher John Bishop.

Ken Nicpon had a perfect night with 3 for 3. Dick Cristaf had 2 for 3. Tom Fox hit a 2 bagger and Chuck Mitlevic, Jerry Fox, and Mike Cirone each hit singles.

Hensley's Make It Four Straight

Wednesday night's action saw Hensley's Motors win their fourth straight of the season by defeating Gibbs & Janssen in a thriller 6 to 5.

Hensley Motors, trailing 4 of 1 going into the 6th inning, rallied for 3 runs on hits by Ralph Remus, Bob Hofer, and a double by Ray Nosko, and singles by Joe Flaschner to tie the score. In the 7th inning, they took the lead with George Pahlke belting a home run too right center, followed with hits by Bernie Gundy and Ron Weil to take a 6 to 4 lead.

Gibbs & Janssen fought back in their half of the 7th only to fall short by a run.

Joel Christensen reached first on an error by Denny Flaschner. Ed Ring singled to left sending Christensen to second. Rich Pahlke drove a hit to left scoring Christensen. Sid Parker and Ed Martin grounded out to end the game.

News of Lakesports

Hensley Motors had a total of 11 safeties; Ray Nosko a single and double; Wayne Zeltz a double; Jim Hofer, Joe Flaschner, Bob Hofer, Ron Weil, Bernie Gundy, Denny Flaschner and Ralph Remus each had singles.

George Pahlke's home run was his first hit in 6 at bats for the winners but a mighty important one.

Manager Pete Matteoni's boys put up a real fight of it in getting only 8 hits off winning pitcher Ronnie Weil. Howie Larson had a 1 for 2 and is hitting .600.

Ed Ring belted a triple and a single and is hitting .555. Joe Christensen had 2 for 3 and Sid Parker got a single in losing a heart breaker.

Another Win by Gibbs & Janssen

Thursday night Pine Oaks suffered their fourth straight defeat at the hands of Gibbs & Janssen 18 to 2.

Stormy Oberg on the hill for the winners hurled a 3 hitter and both of the runs scored against him were un-

earned. John Gaertner of Pine Oaks doubled in the 7th and Bob Ketterhagen and George Gaertner's singled in the second were the only hitting done by the losing Pine Oak team.

Ed Martin and Rich Pahlke blasted home runs for Gibbs & Janssen, as they posted their second win against two defeats.

A total of 20 hits was batted out by the victors. Ed Martin had a single, double and home run. Howie Larson hit a single and double. Rich Pahlke hit a single and home run, Ed Ring a double, Denny Swanson 2 singles and a double. Joel Christensen belted a single, double and a triple. Tom Kontzer hit a single and double. Phil Bergdorf and Jimmy Moran, both hit singles and 2 baggers in the rout.

Sun. Night Features

Bill Strom of Milwaukee got out in front Sunday night at Waukegan Speedway and the Modified drivers just couldn't catch him for 30 laps. Bob Karry and Johnny Reimer got into a tangle early in the event and were never able to catch the leaders. Ted Schuster of Zion finished second in the thriller with Junior Dodd of Waukegan third, Paul Coen, Milwaukee fourth, Jimmy Lawrence of Bristol fifth, and Jim Bozeman, Cudahy, sixth. The time: 8:22:17.

Gino Wagner copped his third straight Sportsman feature Sunday night in front of Andy Anderson, Waukegan, and Mike Wolfe, Lake Villa. Fourth, fifth and sixth went to Eddie, Wild Willy Winchester and Jimmy Ford. Emil Ladewig rolled his car over near the final lap but escaped without injury. Ford, Esther, Summers, Jackson and Clarke tangled in the second corner and Robbs smashed into the concrete wall. The crash caused the re-start.

Winning the Sportsman heat was "Robbie" Robbs from Antioch ahead of Dennis Burgan and Jack Esther. Time waTupr-icY tieL, g

Meeting Will Include People of 48 States

Robert Willett of Rt. 3, Box 265, presiding minister for Jehovah's Witnesses in Antioch, announced today that about 65 members of the local congregation will be leaving soon as delegates to the first session of the "Around-the-World International Assembly of Jehovah's Witnesses for 1963" in Milwaukee, Wis.

According to Willett, the eight-day convention will open June 30 at the County Stadium while the Milwaukee Braves Baseball Club is on the road. Advance requests for overnight accommodations indicate upwards of 50,000 persons from 48 states including Alaska, Washington, D.C., and 10 other countries will attend the gathering.

The Milwaukee meet will be the largest and longest convention ever held in that city. It will also be the first of 24 sessions composing the "Everlasting Good News" Assembly of Jehovah's Witnesses this summer. After the County Stadium gathering, the convention will move on to Yankee Stadium in New York City, followed by assemblies throughout Europe and Asia. This globe-circling assembly closes September 8 with an eight-day session at the Rose Bowl in Pasadena, Calif., Willett said.

Lake Villa Business Men

Your Governor Reports

by OTTO KERNER

It is imperative that all citizens of Illinois be not forgetful of two counts this July 4 holiday weekend: first, that the holiday is meaningful because it celebrates the independence of our country; second, that it is a time for extraordinary caution and alertness on the highways.

Let us not forget that what began as a war for the "right of Englishmen" became a war for independence on July 4, 1776. That was the day when the Declaration of Independence was proclaimed by the Congress, a document that expressed the philosophy of democracy.

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the Governed."

Let no American forget that these words of the Declaration constitute our heritage and our future. Our democracy is measured by how well we live by this creed.

In modern America, the July 4 holiday period has taken on a festive air with families tumbling into the family car for a weekend visit or vacation. It is a time of fun, and of danger.

I urge all motorists to be cautious and alert and to respect the right of others on the highways. I urge that if a long trip is planned, that rest stops be made so that at no time will a car be in the hands of a tired and thus incautious driver.

All state police will be patrolling the highways during the weekend. Their efforts will be supplemented by the State Police air wing and members of the Secretary of State's investigative force.

During the recent Memorial Day holiday, traffic deaths in Illinois were a third lower than had been expected. But a single fatality is one too many. For your own sake, and for the sake of your neighbor, drive carefully and stay alive.

Comedy Next For PM&L

"Everybody Loves Opal," a three-act comedy with a bit of mystery, is the next offering of the Palette, Masque & Lyre.

The play, to be presented July 17, 18, 19 and 20 at the Star Lite Theatre at the Antioch Community High School, is under the direction of Agnes Van Patten. Jean Seemann is her assistant, and Dee D'Isa will star as Opal.

Miss D'Isa has appeared with the Kenosha Players and in the Mr. L. Tenthouse.

Other players are: Bob Andersen as Brad, Andersen has appeared with the Anaheim Players, the Kenosha Players and the Avon Players.

Joan Tanner as Gloria, is a

Junior at the Antioch Community High School and has appeared in the production of "The House of the August Moon" and "Skin of Our Teeth."

Alan Moorman as Solomon; past appearances have been in the "Tea House of the August Moon" and "Skin of Our Teeth."

Joe Munley as Doc; he has appeared on the stage of the Goodman Theater, on radio and television.

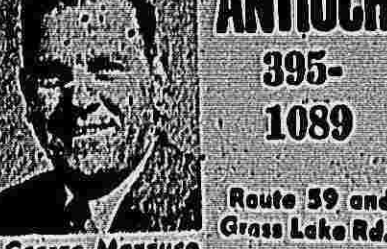

Art Doty is the technical director for the production. The play is sponsored by the Antioch Community High School P. T. A. as their project for the coming year. All proceeds will go to the scholarship fund.

The Lake Villa Business Men's Association will enjoy a luncheon at Kelly's canteen on July 3rd, at 12:30 noon. Final plans will be made for the fireworks display to be held July 4th in Lehmann Park.
